(H) A law enforcement officer enforcing the provisions of this section in regard to private lands must have probable cause, based on a plain view observation or incident to an investigation resulting from an all-terrain vehicle accident, to believe a violation of this section occurred before he may enter upon private land to charge a violation of this section.

Section 50-26-40. (A) The restrictions in this section apply to operation of all-terrain vehicles on those lands open to the public and are in addition to the requirements of Section 50-26-30.
